

EXHIBIT C

OC CRIME LAB
Orange County Sheriff-Coroner Department

REPORT OF EVIDENCE EXAMINATION

FR#: 21-52738

VICTIM:

SUSPECT: Lopez, Brandon

CRIME: OIS

DATE: 09/28/2021 DEPT: DA

DR#: 21-004162

Examination(s):

Vehicle Examination

Item(s) Examined:

OCCL Item	Description
5	Black Dodge Charger (CA License Plate 8XIG022)

Results and Interpretations:

Fingerprints recovered: No processing for fingerprints was conducted on-scene.

Photographs taken: 47 - Exterior/interior of vehicle, contents.

A complete list of the photographs taken is available upon request.

Physical evidence collected: All evidence collected by Forensic Scientist Melissa Rameriz. Refer to her report for details.

On 09/30/21, I responded to the Sheriff's Crime Lab Vehicle Examination Area. DA Inv. Toth requested a search of the above vehicle for a weapon. The vehicle, a black 2021 Dodge Charger [CA 8XIG022] was sealed and in the vehicle examination area. There was apparent traffic collision damage to the front, left and right sides of the vehicle.

There were personal items on the right front seat and floorboard and a hand-written note on the right front seat. There were CD's and \$11.00 cash in the center console and a cigarette lighter on top of the center console. A black Samsung cell phone was in the rear pocket of the right front seat. A black folding knife was on the left rear floorboard.
